

CONFERENCE PROGRAM

Date: Monday 10 October, 2022

Time: 1.00pm - 4.00pm (Arrive and sign in 12.30pm - 1.00pm)

Location: River Room, UWA Watersports Complex, Crawley

So how far can a 6 year old jump?

Patterns and trends among the 30,000 FMS assessments conducted using the KIDDO Challenge 2019-2022

with Professor Michael Rosenberg

1.05pm - 1.45pm

Michael will be sharing the trends from over 30,000 FMS assessments conducted using the KIDDO Challenge from 2019-2022. Michael will also explore the latest technology for assessing FMS and how this could be used in a school setting.

Michael is the Head of School of Human Sciences at UWA and his primary research interest is the complex interaction between children and engagement in physical activity and sedentary behaviours. Michael has acted as an expert consultant to the World Health Organisation, the National Heart Foundation and the Health Department of WA.

New KIDDO website - Sneak peek and live demonstration

with Ms Amanda Derbyshire

1.45pm - 2.00pm

Amanda will be showcasing exciting new features on KIDDO's brand new website including an interactive parent hub, benchmarking your school's KIDDO Challenge data to schools across Australia and an interactive dashboard that allows you to customise your own program.

Amanda is the KIDDO Program Director and a Research Associate at UWA. Amanda has been responsible for the development of the KIDDO program since its inception in 2014. Amanda is a Sport and Exercise Scientist and has extensive experience in helping schools adopt KIDDO in both a metropolitan and rural and remote setting.

Maximising engagement & active time during your FMS lessons

with Mr Martin Anderson
2.00pm - 2.50pm

Martin will be presenting a practical workshop on how to maximise engagement and physical activity levels whilst delivering FMS activities.

Martin leads the Health and Physical Education speciality as part of the Master of Education at UWA. Martin is a leader in Health and Physical Education pedagogy having mentored and trained over 800 educators. Martin has been the chair of the Curriculum Council of Western Australia's physical education syllabus committee, a board member of ACHPER WA and a representative on the Children's Physical Activity Coalition.

Afternoon tea break 2.50pm - 3.05pm

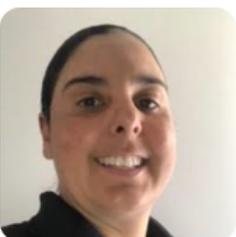

What does physical literacy look like in a school setting?

with Mr Jaxon Hogan
3.05pm - 3.35pm

Jaxon will be sharing what physical literacy can look like in a primary school setting, sharing both his experience at his school and findings from his research.

Jaxon is a Primary PE specialist teacher at Alinjarra Primary School. In addition to this he is completing a Masters of Education by Research investigating the feasibility of ePortfolio-based assessment of physical literacy in primary health and physical education. He is currently tutoring at Edith Cowan University in the Bachelor of Education program, teaching physical education and health units.

Your FMS early years program

with Ms Jessine Bonzas
3.35pm - 3.55pm

Jessine is Primary PE specialist teacher at Craigie Heights Primary School. She will be sharing the programs they have in place at their school designed to optimise FMS development as well as the confidence and enjoyment of being active for all students.

Closing address and goodbyes 3.55pm - 4.00pm
